

Western Region Leadership Conference Scholarship

A total of \$8,800 has been allocated by the Western Region Executive Committee for the 2024 Western Region Leadership Conference (WRLC) with the intent of encouraging greater participation in this important region's leadership experience. The \$8,800 scholarship pool consists of (4) WRLC Scholarship "packages" that will pay inclusive registration & housing costs for 4 students and 1 advisor.

Please note: Chapters from the host state are not eligible for this scholarship

Local chapter applications may be submitted to the review committee by the local chapter advisors. State Associations may apply to bring State Officer Teams. All applications will be reviewed by your state advisor for approval to confirm that your chapter is registered with DECA Inc and is in good standing. The scholarship applications will be reviewed and considered by the host state. Based upon the applications submitted, the host state will determine which applicants receive the scholarship.

Individual chapters cannot request more than one scholarship "package" (similarly, state's applying for officer teams may only request one scholarship "package") and must register a minimum of 4 students and 1 advisor for the conference (e.g. a chapter intending to only send one advisor and two students cannot apply). Any request for a scholarship for any amount less than 4 students and one advisor will not be considered.

In your application, please indicate the following:

1. Whether or not your chapter/state attended the previous WRLC (indicated "returning WRLC" or "new to WRLC" in the Scholarship Type cell). While this will be a factor in the decision-making process it will definitely not preclude a chapter/state from consideration.
2. The total number of students attending.
3. The total number of adults attending with the students.

If there is any additional information or detail you would like to provide to assist the committee in deciding, please include that in the body of your email when you send in the application form.
